

About The University:

The University of Rajasthan is a state university and is the oldest institution of higher learning in Rajasthan. It was established on 8th January, 1947, as the University of Rajputana with the main objective of disseminating knowledge and catering to the needs of the students of the State as well the country. The campus of the University is located in the city of Jaipur. It has been accredited A+ by NAAC India.

About The Department:

The Department of Economics, established in 1949, is the oldest Department of the University. The Department has distinguished itself in academic and other activities. It has the privilege of having eminent economists of international repute such as Prof. M.V. Mathur, Dr. C. Rangarajan, Prof. Raj Krishna, Prof. Raja J. Chelliah, Dr. D.L. Gupta, Prof. G.S. Bhalla, and many other distinguished scholars.

The alumni of the Department include economists of the eminence of Prof. Arvind Panagariya, Prof. Y.K. Alagh, Dr. Ramesh Bhatia to name a few. Several students from the Department have been regularly joining reputed national and international universities and institutions for advance studies.

Recognising the achievements of the Department and its contribution to the Indian Economy, the NITI Aayog (erstwhile Planning Commission) has established a research Unit, NITI Aayog Chair, in the Department. The Department provides leadership to all the affiliated colleges of the University and the faculty has been providing research inputs to the Government of Rajasthan on the policy frame work.

About REA:

Rajasthan Economic Association (REA) is a registered body under the Rajasthan Societies Registration Act of 1958, with the objective of providing a forum to debate and discuss theoretical and real life economic issues. The REA has been organizing annual conference and seminars to undertake and promote the study of economics. The association is among one of the oldest academic bodies of the country. The association also publishes a biannual Journal "Rajasthan Economic Journal".

Organizes
36th Annual Conference
On

Indian Economy :
A Roadmap towards Development

In collaboration with

Rajasthan Economic Association
22-24 January, 2016

CONTACT:

Department of Economics
University of Rajasthan
JLN Marg, Jaipur
Rajasthan- 302004
Website: www.uniraj.ernet.in
Email: rea.ru.conference@gmail.com

About The Conference:

Developing countries all over the globe including India are looking for development and sustainability in all spheres. To ensure sustainable development the emphasis is being given on climate change and better utilization of natural resources. To achieve this, these countries are undertaking numerous reforms, programs and policies. The Indian economy is also undergoing various reforms like Swachh Bharat Abhiyan, Digital India, JAM, Ease of Doing Business etc., in order to get back to higher growth trajectory and human development.

On the national lines, Rajasthan has also initiated policy reforms, regulatory interventions, investment facilitation measures to create investment friendly environment in various sectors. Along with this, government of Rajasthan is working on rural development. The multi-disciplinary approach to research in recent times has fueled the importance of economics in all walks of life.

The main purpose of the conference is to provide a platform to enrich and enhance our knowledge on the contemporary scenario of global and Indian Economy. NITI Aayog Chair, University of Rajasthan and REA in joint collaboration, bring forth an opportunity for such discussions on economics and related issues in which researchers, academicians and practitioners can contribute.

We hope to facilitate a cerebral and creative expression, through this upcoming conference to the participants. We look forward to your valuable participation.
