MESSAGE

Dear Inmates,

We welcome you to the University Hostel. The University presently has nineteen hostels which cater to hundreds of students coming from all over the Country and abroad and provide an experience in youth-cultural living. Fourteen (7 boys and 7 girls) hostels are in the University campus and five hostels; Annie Besant, Mother Teresa, and Veeragana Kali Bai Bheel Hostel (Phase I & II), Gokhale, Maharana Pratap and Vivekanand Hostels are in the college campuses.

The hostel is a home away from home. The Warden therefore is not only an administrator or a controller, but one who is always there to share your problems and difficulties and ready to help and solve them. The Warden's endeavor would be to make your stay comfortable and your endeavor should be to follow the laid down rules, guidelines and maintain discipline in the hostel and to inculcate family culture rather than casteism and regionalism. Values like concern and consideration for others, understanding and respect for other opinions, sympathy and co-operation ought to be developed.

Insistence on strict adherence to the relevant rules and the code of conduct as laid down in the Guidelines is not to restrain you from having a good time but training in discipline which is an integral part of education. In an institution of higher education our prime concern is the pursuit of academic excellence and to maintain the best tradition of community life. We are pleased to share that the celebration of various festivals & activities have become regular features of hostel life, reflecting our sincere commitment to providing inmates with meaningful opportunities to showcase their talent and creativity, while fostering a warm and inclusive homely environment.

We wish you a fruitful, enriching, and comfortable stay at the hostel and look forward to the pride you will bring to the University through your conduct and achievements.
